

WISTAR FALL 2011 NEWSLETTER

YOUR PARTNER IN PRODUCTIVITY

Wistar Equipment is your source for hard to find items like Large Compressors (up to 1600 CFM) and Generators (up to 2 Meg), Oil Free and High Pressure Air Compressors, Desiccant and Refrigerated Dryers and Extended Run Fuel Tanks. We are also your source for **Electric Stationary Compressors**. And, we stock all of the Accessories you need to get your job done efficiently, and on time. Our parts department professionals are eager to help you to find the part you need to get your machine back on the job. And, if you need more than just a part, Wistar's experienced technicians are available, **24/7/365** to service what we sell and rent, and to help keep your productivity in high gear. **NEED FINANCING?** Ask us about Wells Fargo and other financial resources, and our creative in-house plans.

Wistar Equipment, Inc.
